# Industrial Cleaning

With over 25 years experience industrial cleaning is not just vital work that BIC do well, it's at the heart of our business. We specialise in the cleaning of industrial buildings, factories, warehouses, storage spaces, production areas and specialist cleaning of plant and equipment.

Our industrial cleaning teams have the necessary training and specialist equipment to tackle a wide variety of tasks including access to scaffold towers, platforms and scissor lifts.

- Maintaining most hard floor surfaces including scrubbing and mechanical sweeping
- High Level cleaning of roofs, guttering, skylights, cladding, pipework, ducting and structural steel
- De-greasing and heavy de-scaling
- Water jetting and steam cleaning
